Thank you for choosing Highlands Podiatry to serve your podiatric needs. We are committed to treating you with excellence and respect. If you have any questions regarding your care, please do not hesitate to ask. We have a responsibility to help our patients understand the balances they may be responsible for.

- If you are a Medicare patient and do not have a supplemental plan or a Medicare Advantage Plan, you are responsible for payment of the annual deductible, coinsurance, and non-covered services at the time of service.
- If you have a high deductible health plan and have not met your annual deductible amount on the date of service, you will be asked to pay 50% of the allowed charges at the time of service. You will be billed for any additional amounts after the insurance processes the claim.
- Please note that if you are unable to provide your insurance information, we will require that you pay in full for the services you received at the time of the visit. It is urgent that you bring your most recent insurance cards to your appointment.
- All patients are expected to pay any deductibles, coinsurance, or copay amounts owed at the time of service. Our office accepts cash, personal checks, debit cards and all major credit cards. There is a \$30 charge for returned checks.
- If your balance is not paid in full within 90 days, your account may be a third party collection agency. If your account is placed with our collections agency, your account may be subject to interest charges and penalties. You also give your consent to receive phone calls on our cell phone regarding any outstanding balances you may have.
- Missed appointments are costly to the physician and the patients in his care. Please help us serve you better by keeping scheduled appointments or by cancelling an appointment 24 hours in advance.
